EMS Training Specialist

The Central Shenandoah EMS Council in Staunton, VA has an opening for an EMS Training Specialist. Responsibilities include teaching and coordinating Basic Life Support and Advanced Life Support initial certification and continuing education training programs. The EMS Training Specialist also works as part of the team to establish and maintain program accreditation, write and maintain regional protocols, coordinate regional performance improvement programs, and coordinate regional EMS test sites.

Minimum Certification, Education and Experience Requirements:

Bachelor's degree is preferred; Virginia EMT-B Instructor certification and Virginia Advanced Life Support Coordinator endorsement (may obtain both within six months of employment); minimum of Virginia EMT-Intermediate in good standing with the Virginia Office of EMS, EMT-Paramedic preferred; AHA BLS instructor and/or instructor potential is preferred but not required; ACLS, PALS, ITLS, and PEPP instructor and/or instructor potential is preferred; documented experience and/or current certification in adult education may be a substitute for some educational requirements; valid Virginia drivers license with good driving record.

Salary Range (depending on experience): \$28,000 – \$36,000
